Sydney Paget again accomplished the

feat of winning both the races for twoyear-olds. Racegoers are beginning to believe that there are no good two-yearclds except those running in the Paget
colors. He won the second race with
Hrush Up and the fifth with Tramator.
Both horses were hot favorites, thus
proving that the bookmakers are well
informed and especially as to the Paget
horses.

a hard track, and when his feet begin to burn he stops.

The weather was pleasant until the sun was obscured by the clouds and then it grew raw and cold. The attendance was very heavy for a Monday. It was nearly as large as on Saturday. Two interesting fields of two-year-olds also went to the post, and in the opening sprint nineteen horses were carded. Neptunus Wins All the Way.

Neptunus Wins All the Way.

Neptunus jumped away in front at the start, made all the running and just lasted long enough to win by a head. Esher Leaf lay second to the stretch, followed by Fair Order and Wreath of Ivy. When they straightened out Belle of Belle Meade closed on Neptunus, but could not quite get up. Helle of Bellemead was two lengths in front of Wreath of Ivy.

There is a merry war on outside the race track grounds between the Western Union Teleguaph Company and the agents of certain pool-rooms who have been cut off from telephone service. Tales of wire cutting and impromptus scrapping filter into the tracks. The pool-room men are installing telephones in cottages near the course, where they can sween the finish with glasses.

ALBANY, April 18 .- Tammany Hall is weakening in its defermination to fight to the bitter end against an instructed delegation to the St. Louis Convention for Alton B. Parker.

Unless all signs fail Tammany, when beaten on the vote to-night, will itself move to make the vote unanimous, and as a reward for this abandonment of the previous scheme of carrying the war clear to St. Louis Charles F. Murphy will be a delegate-at-large in place of August

That fight will be made late to-night anyway, Paul, who ran second in the Carter but by yielding gracefully to the will of the majority and serving notice Handicap on the opening day, was a on the country that now that he has been beaten he stands shoulder to hot favorite, but he was outside of the money. Jacquin, starting for the first time, SIGNS OF COMPROMISE.

The afternoon session of the convention, like the State Committee mestprobable the pace killed both, for they ing this morning, was tame but significant. David B. This Spring was a starter in the Carter, but showed nothing like the race he ran to-day.

Would give Murphy quite a respectable vote on the matter of instructions.

This conciliatory attitude of Hill, who but yesterday was inclined to be so merciless, combined with Tammany's absolute failure to register a single

Favorites Beaten.

Foxy Kane and Belle of Milford were the ones backed by the talent in the third race, but both were beaten by a 29 to 1 shot. Silver Days, who went to the ront soon after the start, made all the running and won cleverly by half a length from Belle of Milford, who was three lengths in front of Foxy Kane. The latter was second to the last furlong, where he stopped badly.

Warm Favorite Defeated.

Peter Paul was a warm favorite in the Arverne and he was heavily backed. Graziallo, on the strength of his Bennings Handicap win, was a strong second choice. Peter Paul went right to the front, followed by Jacquin and Spring. They rar, in close company around the turn, followed by Loricate and Bob Murphy. In the run home Jacquin closed on Peter Paul and the latter quit. Spring and Graziallo then closed from the rear and Spring, drawing away, won cleverly by a length and a half from Graziallo, which was a like distance in front of Jacquin.
